The Peninsula Studio Trail annual open studio event is on again. Artists will be opening their studios across the Mornington Peninsula over two consecutive weekends on 17th-18th and 24th-25th November from 10am – 5pm.

The Trail is a journey into the studios of a diverse and gifted group of artists, where you have the unique opportunity to see demonstrations and to purchase artwork and hand crafted items directly from the artists.

Peninsula Studio Trail was established in 2009 as an artists' initiative. The artists specialise in a range of mediums including painting, sculpture, textiles, ceramics, jewellery and printmaking.
